

Year 2 Homework - Autumn 1

Below is a list of activities for your child to do over the next half term. The activities are linked to our new topic: Travel and Transport. It would be great if they could do at least one Literacy, and one Maths Activity. They can then choose 1 or more other activities from the grid. They can do as many activities as they wish (all if they really want to!)

Please can they bring in homework when it is completed to share with the class, the final week for homework will be Monday 16th October.

<p style="text-align: center;">English 1</p> <p>If you could be any type of transport, what would you be and why?</p>	<p style="text-align: center;">English 2</p> <p>Write a short adventure story about you as your favourite type of transport.</p>	<p style="text-align: center;">English 3</p> <p>Who is Quentin Blake? Why is he famous?</p>	<p style="text-align: center;">English 4</p> <p>Write out instructions of how to make a paper airplane.</p>
<p style="text-align: center;">Reading 1</p> <p>Find a book to read and explain why you chose it. How did you make your choice?</p>	<p style="text-align: center;">Reading 2</p> <p>Pick out four interesting words from your book. Why did you choose these words? What do they mean? Challenge - can you spell them all correctly?</p>	<p style="text-align: center;">Reading 3</p> <p>Find three useful signs. What are they for? Example: toilet, entrance, exit</p>	<p style="text-align: center;">Reading 4</p> <p>Draw a character from one of your reading books. Then describe them using interesting adjectives.</p>
<p style="text-align: center;">Maths 1</p> <p>Order these numbers: 21, 15, 38, 73 51, 12, 6, 89</p>	<p style="text-align: center;">Maths 2</p> <p>Have a go at writing numbers to 100 in numerals and words.</p>	<p style="text-align: center;">Maths 3</p> <p>Empty an adult's purse at home and count the ten pence pieces. How many coins are there and what is the total?</p>	<p style="text-align: center;">Maths 4</p> <p>Find 20 small objects in your home (buttons, coins, sweets, etc.). Use them to partition 20 in as many different ways possible. Can you write the number sentence? $20 = 10 + 10$ Challenge - can you find all the possibilities?</p>
<p style="text-align: center;">Topic 1</p> <p>Identify objects around your home - what material they are made from? For example what material is a fork made out of?</p>	<p style="text-align: center;">Topic 2</p> <p>Who was Amelia Earhart? What can you find out about her?</p>	<p style="text-align: center;">Topic 3</p> <p>Ask an older member of your family about transport they have used in the past, when they were children.</p>	<p style="text-align: center;">Topic 4</p> <p>Design your own vehicle that could travel on land, sea and in the air. Do not forget to label it.</p>
