

As historians we will:

Look at key events in our own life and create a timeline for these.

As geographers we will:

Create maps of our houses and the school and label key features. (Understand the differences between a picture and a map).

As musicians we will:

Look at pulse.
Understand how pulse is important.
Keep a steady pulse throughout songs with and without instruments.

As ICT technicians we will:

Practise logging on and off
Find a program and learn how to use it.

As artists we will:

Create collages using a range of different materials.

As designers we will:

Look at free standing structures.

As scientists we will:

Look at humans, name body parts and talk about how we change as we get older.
Look at the differences between us and babies.

As athletes we will:

Develop our agility balance, coordination, skill development.

Perform basic dances using simple movement patterns.

Take part in Gymnastic activities.

Year 1 - Autumn 1 2016

All about me

As citizens we will:

Learn our class rules.
Develop our own class ethos that fits in with the school.
Look at the PANTS campaign.

As writers and readers we will:

As mathematicians we will:

Look at place value and have a secure understanding of number up to and beyond 100.

As theologians we will consider:

Questions that puzzle us and how can we find out the answers we would like.

Visits/Visitors:

Walk around Sowerby - looking at the houses and the local area.
New building site.
Baby in
Meadowside
