Resources for playtimes/lunchtimes	Priority 2,3,5	£1000

PE Specialist Teacher: A 0.2 FTE qualified primary school teacher Mrs Clay has been appointed to this position for another year and will work with staff on a Thursday.

Swimming

Sports premium is not to be used for swimming lessons per se. We can measure the progress of children learning to swim over a long block of time comparing it to the progress made over time when children went swimming half a term each year in Years 3 – 6.

Term 1 (c.14 weeks) – catch up for Year 5 and 6 children who cannot swim or have not achieved 25 metres / competency in water.

Term 2 and 3 (c. 25 weeks) – swimming lessons for Year 4 children. This will be in place of a PE lesson in Year 4. Any Year 6 children still not swimming will attend these 2 terms in order to meet the competency in water and 25metre target.
