

YEAR 4: 2016 – 2017 – Sports Premium Funding

Sports premium: £9,425

PE specialist teacher 0.2 FTE UPS2 (RC) £9,175

Service level agreement Duncan Burgess to organise sports competition between schools and venues. £1,000

Total spend: £10,291

The government are quite specific about how this money is to be used.

It is to be used this year to achieve:

1. Increased competitive sport between schools on a local and regional level
2. Increasing resilience in children - (not giving up)
3. Establishing Playground Leaders to impact on SMSC
4. Increased health and wellbeing continuation with the target children identified last year

PE Specialist Teacher: A 0.2 FTE qualified primary school teacher Mrs Clay has been appointed to this position for another year and will work with staff on a Thursday.

Mrs Clay will continue to audit need; deliver a timetable of High Quality PE over the next year through teaching /coaching class teachers in areas 1.2.3 and 2 of the curriculum (above)

Mrs Clay will work alongside the PE subject leader to deliver High Quality and improved health and wellbeing for all our children, especially those identified as at risk.

Mrs Clay will run a gymnastic club after school for our children at no cost to parents. Times and who can attend this club, will be determined in the coming weeks.

NB – as there will be a number of new staff Mrs Clay's input with them all for planning, assessment resources/equipment will be very important again at the start of the year.

Swimming

Sports premium is not to be used for swimming lessons per se. We can measure the progress of children learning to swim over a long block of time comparing it to the progress made over time when children went swimming half a term each year in Years 3 – 6.

Term 1 (c.14 weeks) – catch up for Year 5 and 6 children who cannot swim or have not achieved 25 metres / competency in water.

Term 2 and 3 (c. 25 weeks) – swimming lessons for Year 4 children. This will be in place of a PE lesson in Year 4. Any Year 6 children still not swimming will attend these 2 terms in order to meet the competency in water and 25metre target.
