

## Year 2 Homework - Spring 2

Below is a list of activities for your child to do over the next half term. The activities are linked to our new topic: Animals. It would be great if they could do at least one Literacy, one Reading and one Maths Activity. They can then choose 1 or more other activities from the grid. They can do as many activities as they wish (all if they really want to!)

Please can they bring in homework when it is completed to share with the class, the final week for homework will be Monday 26<sup>th</sup> March.

<p style="text-align: center;"><b>English 1</b></p> <p>With support send an email to a friend or family member. Learn where to type the email address, subject and main text. Hopefully you can practice opening and reading an email when you get a response.</p>	<p style="text-align: center;"><b>English 2</b></p> <p>Make a traditional story book for someone to read. Think about who your audience.</p>	<p style="text-align: center;"><b>English 3</b></p> <p>Which traditional tale would you like a role in and why?</p>	<p style="text-align: center;"><b>English 4</b></p> <p>Read and make a list of all the words the author uses instead of 'said'</p> <p>Have they used any adverbs?</p>
<p style="text-align: center;"><b>Reading 1</b></p> <p>Can you spot any words ending with the suffix /es//s/ make a list. Example: hurries, carries</p>	<p style="text-align: center;"><b>Reading 2</b></p> <p>How many adjectives and adverbs can you spot in your favourite book?</p>	<p style="text-align: center;"><b>Reading 3</b></p> <p>Order three events in the story. First... Then... After that...</p>	<p style="text-align: center;"><b>Reading 4</b></p> <p>Answer questions.</p> <p>Booklet will be provided with text and questions.</p>
<p style="text-align: center;"><b>Maths 1</b></p> <p>Using these digits: 2 8 7 5</p> <p>What is the greatest two-digit even number you can make? Smallest two-digit even number? Greatest two-digit odd number? Smallest two-digit odd number</p>	<p style="text-align: center;"><b>Maths 2</b></p> <p>If the answer is 20 what is the question?</p> <p>e.g. what is <math>2 \times 10 =</math> <math>\times - + +</math></p> <p>How many different questions can you think of?</p>	<p style="text-align: center;"><b>Maths 3</b></p> <p>Can you work out the missing numbers in these number sentences?</p> <p>a) <math>25 \div \square = 5</math> b) <math>\square \div 10 = 5</math> c) <math>\square \times 10 = 90</math> d) <math>45 \div 5 = \square</math> a) <math>6 \times \square = 30</math></p>	<p style="text-align: center;"><b>Maths 4</b></p> <p>Solve as many word problems as you can (separate sheet provided).</p>
<p style="text-align: center;"><b>Topic 1</b></p> <p>How can you encourage wildlife into your garden or local park?</p>	<p style="text-align: center;"><b>Topic 2</b></p> <p>Make a list of all the fruits and vegetables that you have in your house. Can you find out where they were grown?</p>	<p style="text-align: center;"><b>Topic 3</b></p> <p>Choose an activity to do from the website 50 things to do before you are 11 ½ <a href="https://www.50things.org.uk">https://www.50things.org.uk</a></p>	<p style="text-align: center;"><b>Topic 4</b></p> <p>How many star jumps can you do in 1 minute?</p>
