

As geographers we will:

Look at different types of transport from around the world.

As scientists we will:

Continue learning about materials: how they can be changed and what materials are suitable for different objects.

As athletes we will:

Develop our running, jumping and throwing skills.

As musicians we will:

Learn the songs to our Christmas Play

Year Group: 2
Celebrations

As citizens we will:

Be looking at what makes a good friend or buddy as part of anti-bullying week.

As ICT technicians we will:

Use technology to design a model of a train, bus or car. We will research old modes of transport and compare them with those that we use today.

As writers and readers we will:

Learn how to write a non-chronological report.
Look at a range of different poetry.
Develop my reading, including exploring themes, predicting events and sequencing stories.
Practise sounds in phonics and learn some ways to change words by adding suffixes.

As designers we will:

Design, make and evaluate Christmas cards.

Have an understanding of where fruit and vegetables come from.

As mathematicians we will:

Learn about addition and subtraction calculations. We will be developing our reasoning and problem solving skills.
In mental maths we will practise our number bonds so that we can recall and use these facts quickly.

As theologians we will:

Be learning about different festivals and celebrations: Diwali, Eid, Hanukah and Christmas.
