

Sowerby Community Primary School - Year 3 /4 Summer Homework Grid

Weekly Homework:	Reading	Spelling	Times tables
	<u>Rivers and the Water Cycle - Learning Opportunities</u>		
Literacy & Communication	<p style="text-align: center;"><u>Narrative Poetry</u></p> <p>Find a narrative poem that you enjoy and copy down your favourite section in your best handwriting (illustrate if you like).</p>	<p style="text-align: center;"><u>Explanation</u></p> <p>Explain each section of a river e.g source, meander, valley, mouth etc.</p>	<p style="text-align: center;"><u>Persuade me!</u></p> <p>Persuade us that dogs are better than cats or cats are better than dogs. We will have a debate when we look at our homework.</p>
Maths & Problem Solving	<p style="text-align: center;"><u>River length</u></p> <p>Find 5 rivers in the UK and create a graph about the different lengths</p>	<p style="text-align: center;"><u>Time</u></p> <p>Create a 3D analogue clock and practice telling the time (past and to the hour).</p>	<p style="text-align: center;"><u>Height order</u></p> <p>Measure the members of your family and present your results in a graphy to show the different heights of you family.</p>
Science and the Outside Environment	<p style="text-align: center;"><u>Electrical appliances</u></p> <p>Use a recent weekend and list the appliances you have used. Order them from the most time spent on them to the least time spent. Put an estimate of how much time spent on each.</p>	<p style="text-align: center;"><u>Desert Island Appliance</u></p> <p>If you were stuck on a desert island and could have one electrical appliance, what would you take with you. Make a list of reasons positives and negatives about this appliance.</p>	<p style="text-align: center;"><u>Predicting your Watts</u></p> <p>Looking at your electric meter, write down your starting number. Can you predict how many watts or kilowatts of electricity your family use within one week? How close were you?</p>
Humanities and Citizenship	<p style="text-align: center;"><u>The ways we use water</u></p> <p>Can you create a poster showing all the different ways we use water.</p>	<p style="text-align: center;"><u>Source to Mouth</u></p> <p>Show each stage from the start to the end of a river.</p>	<p style="text-align: center;"><u>All About Me</u></p> <p>What do you think you have achieved this year? What are you looking forward to in September?</p>
Creative Arts	<p style="text-align: center;"><u>Cross Section of a river</u></p> <p>Create a cross section of a river and label the different sections</p>	<p style="text-align: center;"><u>Place of worship</u></p> <p>Sketch two places of worship and compare them on their appearance.</p>	<p style="text-align: center;"><u>Ride of the Valkyrie</u></p> <p>Listen to this piece of music. Draw or create what you think a Valkyrie is. What would ride out to this music?</p>
Please complete as many tasks as you are able to.			

Dear Parent,

Your child may choose as many tasks as they like, but preferably one from each area, especially as this homework covers a term.

Depending on the activity, the children can produce work on A4, A3, posters, on the computer or create 3D models.

Please feel free to come and ask your child's teacher if you are not sure what is expected.

Please hand homework in the week beginning the 16th July 2018.

Kind Regards,

Miss Armstrong, Miss Boswell and Miss Merifield.
