

Year 2 Homework - Autumn 1

Below is a list of activities for your child to do over the next half term. The activities are linked to our new topic: Transport. It would be great if they could do at least one Literacy, and one Maths Activity. They can then choose 1 or more other activities from the grid.

They can do as many activities as they wish (all if they really want to!)

Please can they bring in homework when it is completed to share with the class, the final week for homework will be Monday 19th October.

Literacy 1 Draw a character from one of your reading books. Then describe them using interesting adjectives.	Literacy 2 Who is Quentin Blake?	Literacy 3 Write an adventure story using any type of transport.	Literacy 4 Write out instructions to create your own type of transport.
Maths 1 Count and record the traffic that passes by your house.	Maths 2 Practise your x10 and x5 tables. Can you think of a rhyme to help you remember these?	Maths 3 Find 24 small objects in your home (buttons, coins, matchsticks, etc). How many different ways can you find to make equal groups of the objects? Write down the combinations.	Maths 4 Write a list of your favourite items when you go shopping. Can you find their prices? How much do they cost altogether? How much would it cost if we doubled each item?
Topic 1 Design your own vehicle that could travel on land and sea and label it.	Topic 2 Find out what a Concorde is; write an interesting fact.	Topic 3 Can you identify the different materials around your home?	Topic 4 Research and draw a timeline on how a type of transport has changed through history.
