

As geographers we will:

Look at maps of the UK and the world. We will label the continents and oceans of the world. We will label the countries in the UK, the capital cities and the seas around them.

As musicians we will:

Chant and sing a short musical pattern keeping a steady pulse or beat.

As ICT technicians we will:

Use technology and the internet to communicate and collaborate online.
(Crystal)

As designers we will:

Learn about traditional recipes and foods from around the United Kingdom

As artists we will:

Explore collage and apply this technique to flag making.

As scientists we will:

We are going to observe seasonal changes between Autumn and Winter. Exploring how these happen at different times around the world.

Year Group: 2

Our Wonderful World

As mathematicians we will:

We will be learning about multiplication and division along with place value and number sense. We will be developing our reasoning and problem solving skills.

As theologians we will:

Be learning about different festivals: Diwali, Eid, Hanukah and Christmas.

As athletes we will:

Develop our core strength and upper body movement.

As citizens we will:

Be looking at what makes a good friend or buddy as part of anti-bullying week.

As writers and readers we will:

We will be reading atlases and use the information we find to write a report about a city in a Non-European country.

We will also be writing instructions using commands.

As thinkers we will consider:

Variations - how many ways can you travel?

Picture - what can you see from an airplane?

Odd one out - looking at numbers what is the odd one out?
