

Year 2 Homework - Summer 1

Below is a list of activities for your child to do over the next half term. The activities are linked to our new topic: Grow, Grow, Grow! It would be great if they could do at least one Literacy, one Reading and one Maths Activity. They can then choose 1 or more other activities from the grid. They can do as many activities as they wish (all if they really want to!)

Please can they bring in homework when it is completed to share with the class, the final week for homework will be Monday 14th May
