

Year 1 Homework - Summer 1

Below is a list of activities for your child to do over the next half term. The activities are linked to our new topic: Animals. It would be great if they could do at least one English and one Maths Activity. They can then choose 1 or more other activities from the grid. They can do as many activities as they wish (all if they really want to!)

Please can they bring in homework when it is completed to share with the class, the final week for homework will be Monday 21st May.

<p>English 1 Write a recount of your favourite day.</p>	<p>English 2 Write an acrostic poem for your favourite animal.</p>	<p>English 3 Write a list of all the animals you can think of, can you put these into categories e.g. farm animals.</p>	<p>English 4 Write or type a description of one animal.</p>
<p>Maths 1 Practise your number bonds to 10. E.g. 5 + 5, 9 + 1.</p>	<p>Maths 2 Practically add and subtract within 20. Use your toys or sweets, can you try and write these down?</p>	<p>Maths 3 Create a number story to link to addition and subtraction.</p>	<p>Maths 4 Investigate what happens when you add or takeaway 1 from a number. How about if you do the same with 10?</p>
<p>Topic 1 Visit somewhere you can see animals. Write about what you have seen?</p>	<p>Topic 2 Create a vegetable animal. Can you label it?</p>	<p>Topic 3 Draw and label the parts of different animals e.g. fish, bird, mammal.</p>	<p>Topic 4 Create an animal mask.</p>

Try and read every single night.
