Change 4 Life and Quad Kids

The North Yorkshire School Games summer series kicked off in record high temperatures last Thursday with over 400 young people from all over North Yorkshire representing their school and district in county finals over 5 different events. Hosted at the University of York and with no clouds in the sky, the participants were joined by special guest, former Olympic and Commonwealth swimmer Chris Cook. Chris was on hand to provide inspiration and to encourage all athletes to achieve their own personal best at the event. For further information about the day please log on to the link below.
